

Hi Neighbor,

Do you or your children provide any special services?

Grass cutting, baby sitting, pet sitting etc.....

Would you like to be part of  
your neighborhood directory?

Simply click on the update link, print and fill out the form.

<http://www.kathleenswebsite.com/accounts/5246/images/Directory%20Update.pdf>

Then send the form back to me by email at [KathleenB@Remax.net](mailto:KathleenB@Remax.net) or fax to 267-483-1146. I will then add your information about your services to the neighborhood directory which can be accessed to view or print from this website.

I started the directory off with my services and my children's.

In consideration for my efforts I would appreciate my services not being duplicated.

Let's keep the business local and help our fellow neighbors.
